Til þess er málið varðar.

Heiðdís Buzgò hefur starfað sem kaffibarista hjá Te og Kaffi á Lækjartorgi undanfarið ár þar sem ég var starfandi verslunarstjóri þangað til nýlega. Hún hefur staðið sig afskaplega vel í starfi, er áreiðanleg, dugleg og metnaðarfull og hefur unnið sig upp í að vera treyst fyrir mörgum hlutverkum sem alla jafna eru sinnt af verslunarstjóra, m.a. í sumarafleysingum. Það mætti segja að hún hafi verið orðin mín hægri hönd en hún sinnir jafnt störfum sem krefjast nákvæmni sem og störfum sem krefjast líkamlegs styrks og gerir það vel.

Heiðdís er áreiðanleg og stundvís, sveigjanleg og alltaf til í að aðstoða þegar þess þar. Jafnframt sýnir hún frumkvæði í starfi og hefur gott yfirlit yfir málefni fyrirtækisins. Hún hlýtur því mín allra bestu meðmæli og er ykkur velkomið að heyra í mér í síma 661-7650 ef þið hafið einhverjar spurningar.

Með bestu kveðju,

Arna Rún Rúnarsdóttir,

Fyrrum verslunarstjóri Te og Kaffi, Lækjartorgi

To whom it concerns.

Heiðdís Buzgò has been working as a barista at Te og Kaffi at Lækjartorg for the last year where I was working as a manager until recently. She has done an extremely good job, she is reliable, hard working and ambitious and has worked her way up to be trusted for many roles who often are done by a manager, for example in summer substitutions. You could say she has become my right hand but she can do jobs that require close eye to detail and good physical strength and she does it well.

Heiðdís is reliable and punctual, flexible and always willing to help. Also she is initiative in her work and she has a good overview over the company's issues. That's why she gets my very best recommendations and you are welcome to call me at +353 874064115* if you have any questions.

Best regards,

Arna Rún Rúnarsdóttir,

Former manager at Te og Kaffi, Lækjartorg.
